# For Children Only Policies and Procedures

## Policy and Procedures

Welcome to For Children Only and we would like to thank you for giving us the opportunity to serve your family and your child care needs. This handbook describes our policies and procedures. We review our policies & procedures annually and reserve the right to change policies, procedures, or fees and tuition at any time. Any changes will be printed and handed out to each family to read and sign. A copy will be placed at the Kiosk sign-in station for your convenience.

## Hours of Operation & Arrival Time

We are open for your convenience from 6:30AM – 6:30PM, Monday – Friday

Children should arrive no later than 9:00am to experience the most from our Curriculum. Class time starts promptly at 9:00am and any later is disruptive to the other children and child/staff ratios. Children over 12 months may not be dropped off during naptime.

## Holiday Schedule

We are closed New Year's Day, President's Day, Memorial Day, 4<sup>th</sup> of July, Labor Day, Columbus Day, Thanksgiving Day and the Day after Thanksgiving, and Christmas Day. In addition, we close at 3pm on Christmas Eve.

### **With the exception of Columbus Day and President's Day:**

If the holiday falls on a Saturday, we will close the Friday before the Holiday.

If the Holiday falls on a Sunday, we will close the following Monday after the Holiday.

## Bad Weather Policy

In most circumstances we follow public school closures and schedules, please check your local TV station or websites for announcements of closings.

## Transportation Policy

Children attending Public School must arrive by 7:00am to be transported to school. Notification of Non-Pick-up in the afternoon must be made no later than 1:00pm to avoid \$25 Penalty Fee.

All safety procedures of the Texas Department of Family and Protective Services are followed and our Drivers receive annual training. Our vehicles are equipped with a fire extinguisher, first aid kits, and receive regular maintenance.

## Sign In and Out Procedures

Parents are required to sign in and out their child/children each day. This is an additional way of keeping accurate counts of our children in each classroom in case of an emergency.

## Release of Children & Late Pick Up

Safety is our number one priority and only individuals who are listed on your child's enrollment packet will be permitted to pick up your child from the facility. If a person other than yourself comes to pick up your child they must present a Driver's License at the front desk. This is for the safety of your child! If a person is not on the pick-up list, we must have a written signed statement from the Parent that gives permission for the Individual to pick up the child.

**The school closes at 6:30 PM. You will be charged \$3 per min., per child after 6:30 PM which must be paid at time of pickup. We are not licensed for after hour care, therefore our employees are not allowed to take custody of your child by removing them from school premises.**

## Custody Situations

This is a difficult situation for all parties involved and especially the children. Every Parent has rights under Texas Law and we cannot deny access to a child without a court order. If a court order is present and an unauthorized Parent comes into our school, we will deny access to the child, contact the Custodial Parent, and call the authorities.

### **Medical Emergencies**

In the case of a medical emergency, we will call 911 and then notify parents. As appropriate, our staff will administer the necessary medical attention, first aid or CPR, until emergency medical assistance arrives. EMERGENCY EVACUATION DIAGRAMS ARE LOCATED IN EACH CLASSROOM AT EACH EXIT

FIRE EXTINGUISHERS ARE LOCATED AT THE FRONT & REAR EXITS AND IN KITCHEN

Stay Calm, gather children, follow directions

## **Fire Evacuation Drill- Relocating to Safe Area (practiced monthly):**

- Fire Alarm Bell will sound.
- Lead teacher to get roll sheets and Health and Emergency Binder (which contains Parent and Emergency contact telephone numbers for each child in care, Authorization for emergency care for each child and the child tracking system information for children in care).
- Each classroom will walk and exit to the designated door to a point 75' from the building (or the Alternate Shelter if communicated by the Director).
- The Director and Lead Teacher will implement the child tracking system in their Grab & Go Bag to account for all children, they will be counted per the attendance list as they leave the classroom and when they arrive to the safe area.
- Watch the children, not the situation. Children must be supervised at all times.
- The Teachers will stay in the designated area and the Fire Department, Director, or person in charge will tell you when you and the children can re-enter the building or begin Off-Site evacuation procedures.

## **Severe Weather Drill (practiced every 3 months):**

- A bell will sound 3 times.
- Lead teacher to get roll sheets and Health and Emergency Binder.
- Each class to exit classroom doors and walk to center hallway and sit down and have children duck and cover. Additional room is available at kitchen pantry. I
- Infant classroom: place infants in emergency cribs and roll to the hallway.
- Teacher to have children singing or tell them a story.
- Teachers to remain with children until further instructions are given by Director.
- The Director in charge will monitor local weather stations and the weather alert stations for updates.

## **Reverse Evacuation Drill (practiced every 12 months):**

A whistle will blow to signify a Reverse Evacuation when children are outside. Teachers are to gather children, walk, and enter hallway door where Director will alert them to danger and provide instructions.

## **Shelter in Place/Lock Down Drill (practiced every 3 months):**

A lockdown is to keep children safe from potential violent circumstances.

- Director to notify teacher verbally and call 911.
- Director or person in charge will ensure all building entrances and exits are locked and that no unauthorized individuals enter the building.
- Close all doors and turn off all lights if possible.
- Teacher to gather children and Health & Emergency Binder and take children to the designated safe place.
- Teacher to keep children calm and whisper and remind children that "we are to be very quiet."
- Infant Classroom: Place babies in two or three cribs with a few quiet toys. Place another empty crib or two in front of your classroom door. This might cause an intruder to change his/her mind about entering your classroom.
- Teachers will await further instructions from the Director, person in charge, or emergency personnel.

### **Explosion, Chemical Spill, or Gas Leak:**

That occurs **INSIDE** the facility –

- See procedure for Fire and Off-Site Evacuation & Relocation

That occurs **OUTSIDE** the facility –

- Close doors and lock, turn off air conditioner/heater, turn off anything that could cause a spark (lights, computers, TV, CD player, etc.).
- Keep children seated on the floor and calm.
- Be prepared to evacuate if told by the Director, or Person in Charge, or emergency personnel.
- If told to evacuate consider crawling to avoid strong fumes that are floating higher in the air, ask for clarification if time.

### **Bomb Threat or Other Threat:**

Write down everything the person says. Ask where the bomb is. Ask when the bomb (or other threat) will “go off” or “happen”. Write that down, too. Notify Director, or person in charge, to call 911 immediately.

### **Accident:**

- Breathe and stay calm.
- Make sure all children are supervised. If your alone, tell them to sit down near you.
- Comfort the child by speaking in a low, quiet voice.
- Apply first aid as needed. Call the office if you need further assistance and/or the Director, or person in charge to call 911.
- If the child is bleeding profusely, apply pressure to stop the bleeding. (In an extreme case, take off the child’s shirt and use that.)
- If injury is to the head or face, report it to the office immediately – even if it is minor.
- Complete an Accident/Incident Report, have the Director sign it immediately, and have the parent sign it when the child is picked up.
- Turn the Accident/Incident Report in to the Director before you leave on the same day. Keep the Accident/Incident Report confidential.
- In the event of serious illness or injury involving an adult, contact the office and the Director will call 911 and/or the person’s emergency contact.

### **Illness:**

- Ask the Child, “What doesn’t feel good?”
- Contact the office and have the child’s temperature taken. If the fever of over 100 degrees, the Director, or person in charge, will contact the parent.
- If no fever, make the child comfortable and keep an eye on him/her.
- If the child complains of pain, ask him to point with one finger where it hurts the most and then investigate that spot for injury or discoloration and call the office.
- Light vomiting or mild diarrhea: If no pain, call the office after second episode.

### **Management and Cook Responsibilities:**

- When aware of fire or when alarm sounds, the Director sounds the alarm, if necessary, thus alerting everyone and notifying the fire department. She proceeds to each classroom to ensure that everyone is out of the building.
- When aware of fire, or when alarm sounds, the Asst. Director takes possession of the Emergency Binder and says aloud, “I have the Binder!” and then proceeds to assist the infant classroom to safely exit the building.
- When aware of fire, or when alarm sounds, if the cook is in the building (and not when already counted I child/staff ratio), she will assist the young toddler classroom.
